Dear Sir:

INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR §1.97(b)

Pursuant to 37 CFR §§1.56 and 1.97(b), Applicant brings to the attention of the Examiner the information set forth below. This Information Disclosure Statement is being filed more than three months after the filing date of the above-referenced application but, to the undersigned's knowledge, before the mailing date of a first Office Action on the merits for the above-referenced application.

The Examiner should be aware of certain occurrences taking place more than one year prior to the priority date of the present application, as evidenced by the attached Declaration of Steve Anderson Platt.

It is accordingly believed that the use of the wind powered generator, as discussed in the attached Declaration of Steve Anderson Platt, was a private act, part of the development effort, substantially for the purpose of experiment, and not a public use. An indication to that effect on the record is solicited.
